

## Bass Players ...

We need  
**YOU!**

We are looking for bass players and percussionists for the Saturday, 5pm Mass. These instruments are so essential to the overall sound and quality of contemporary music – **as YOU well know!**

## Drummers

If you are a pretty confident player we could **REALLY** use your help!  
If you are unsure about your capabilities, just talk to us!  
Bass players and percussionists are needed on a more regular basis **as well as** for substitute or occasional playing. Occasionally a substitute player is needed for the 9am Mass as well.
