

Eucharistic Minister (Extra-Ordinary Minister of the Eucharist)

The Extra-Ordinary Minister of Eucharist (EOM) is the instrument through which the community shares in the gift of the Eucharist. The minister shares the Body and Blood of Christ with the community, the Body of Christ. The ministry is open to fully initiated members of the community who are committed to responding to the call of their baptism by their humble service to the community during Eucharistic celebrations. Those who minister as EOMs give themselves in service of those who turn to the risen Lord for the nourishment that only He can give. Those who accept this responsibility need to have a spiritual attitude of reverence for the Body and Blood of Christ.

Time Commitment: Two training workshops, one yearly evening of reflection, as well as at least monthly or more scheduled ministry time at weekend liturgies.
